13:00 - 14:00 Vegan & Vegetarian lunch

Today we are trying out an experiment: as part of our dedication to sustainability EHPS is serving for all delegates of the 2022 EHPS Conference in Bratislava's Crowne Plaza Hotel all plant-based lunches - vegetarian and vegan meals.

If this approach proves successful, it could be a strong signal towards more environmentally responsible conferences.

SEE MORE

We've arranged discounts to some galleries and tours. In addition, you can buy a Bratislava Card for a discounted price, which offers many tourist benefits.
